The staff members of East Alton School District understand the importance of continuing to provide free breakfast and lunch to our students during the mandatory shutdown of our schools. As a result, we have worked to develop a plan that will still allow students access to nutritious meals in a “Grab and Go” format while we are not in session. We are able to provide meals for **any child age 18 and under**, and the children do not need to be present when the meals are picked up. Meal pick up will be offered from 9:00am-11:00am daily, starting on Tuesday, March 17th at Washington Early Childhood Center and on the Eastwood/East Alton Middle School campuses. Please be patient and understanding as we work to ensure safe and efficient meal distribution.

If you choose to pick up from Washington Early Childhood Center cafeteria, please park in the lot and walk to the cafeteria doors. If you choose to pick up from Eastwood/East Alton Middle School, you can pull through the circle drive and we will have bags under the awning by the Kindergarten door at Eastwood. Please take one sack per child age 18 or under in your household. Each sack will contain a full breakfast and full lunch. East Alton Wood River High School will also have meal distribution from 9:00am-11:00am if it is easier for your family to pick meals up from their location.

If you have any questions about meal distribution, please contact your child’s school today, or the main office at 433-2051 starting Tuesday, March 17th. We will continue to offer free breakfast and lunch as long as we are safely able to do so.

Thank you,
