

Dear EAMS students, parents and guardians:

I'd like to welcome you to EAMS! To help keep you up-to-date about school news and assignments, I've signed up for Remind. Remind allows me send messages via text, push notifications or email to everyone involved in the class. Mrs. Linda Kuehnel will still be sending our email announcements, but it was requested that we also provide text or app notifications.

Signing up for messages on Remind is a quick and easy process:

TEXT MESSAGE	MOBILE APP
1. Text the code @fa0f9 to 81010	1. Download the Remind app on your Android or iPhone. 
2. Reply to the message from the Remind team with your first & last name, and your in!	2. Once you've downloaded the app, create a student or parent account with your email address.
	3. Search for our school by entering @fa0f9

Hopefully my Remind messages will be an easier way for us to keep in touch about school activities. Some more information about Remind:

- There are no open replies to teacher messages on Remind.
- Your personal contact information is never seen by me or by the school.

If you have any questions, please feel free to contact me at 433-2201.

Sincerely,  
Alyssa Smith  
Principal, EAMS
