East Alton, IL 62024

We have a new face with us!

We currently have an intern with us from SIUE! Jenna is finishing up her degree in early childhood education and will be with us until May. You may see her with our team on a home visit or at one of our events. She will be shadowing us to learn what it is like to be a home visitor. Please, help us welcome Jenna during her time with us. We are excited to have her for the remainder of the school year.

We have openings

We have some openings again with our home visitors!

Please let us know if you have any family or friends who would like more info about our program.
